The bonds will bear interest from the date thereof at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on April 1 and October 1 in each year, beginning on October 1, 1989.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the county and the Kansas Attorney General. The bonds will be registered as fully registered certificated bonds.

The county will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. The number and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the county and bond registrar at least 10 days after the sale date. In the absence of such information, the county will deliver one bond per maturity registered in the name of the successful bidder.

Redemption of Bonds Prior to Maturity

Bonds maturing in the years 1990 to 1996, inclusive, will become due without option of prior payment. At the

option of the county, bonds maturing in the year 1997, and thereafter, may be called for redemption and payment prior to maturity in whole or in part in inverse order of maturity (selection of bonds within the same maturity to be by lot by the county in such equitable manner as it may determine) on April 1, 1996, or on any interest payment date thereafter at par, plus accrued interest to the redemption date.

Whenever the county is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

In the event of any such redemption, the county will give notice of its intention to redeem and pay said bonds on a specified date, the same being described by number, CUSIP identification number and maturity, said notice to be by United States registered or certified mail, postage prepaid, addressed to the registered owners of said bonds, to the Kansas State Treasurer, and to the manager of the underwriting account making the successful bid, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. If any bond be called for redemption and payment as aforesaid, all interest on such bond will cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest, as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 or 1/20 of 1 percent. No rate specified shall be less than that specified for any earlier maturity. No bid of less than 100 percent of the principal amount of the bonds and accrued interest will be considered. Each bid must specify the total interest cost to the county during the term of the bonds on the basis of such bid, the premium, if any, offered by the bidder. and the net interest cost to the county on the basis of such bid. Each bid must also specify the average annual net interest rate to the county on the basis of such bid.

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the county, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost on the bonds. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body of the county will determine which bid or bids, if any, shall be accepted, and its determination will be final.

Authority, Purpose and Security

The bonds are being issued pursuant to and in full compliance with the constitution and laws of the state of Kansas, including K.S.A. 19-101 to 19-101f, inclusive, as amended (the Home Rule Act) and Home Rule Resolution No. 2597 of the county (the Home Rule Resolution), for the purpose of making a loan to a qualified recepient (the partnership) to pay the costs of capital improvements at the Sandstone Amphitheatre within the county (the project) adopted November 8, 1988.

The bonds will be general obligations of the county, payable as to both principal and interest from loan repayments from the partnership and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of city.

Legal Opinion and Tax Exemption

In the opinion of Burke, Williams, Sorensen & Gaar, Overland Park, Kansas, bond counsel, the interest on the bonds is *includable* in gross income for federal income tax purposes.

The interest on the bonds is *excludable* from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

Delivery and Payment

The county will pay for printing the bonds and will deliver the same properly prepared, executed and registered without cost to the successful bidder within 45 days after the date of sale at such bank or trust company as may be specified by the successful bidder and is acceptable to the county. Delivery elsewhere will be at the expense of the successful bidder. The successful bidder will be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds or other funds, immediately subject to use by the county.

The number, type and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners must be submitted in writing by the successful bidder to the county and bond registrar no more than 10 days after the sale date. In the absence of such information, the county will deliver the bonds in the denominations of each maturity registered in the name of the successful bidder.

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America equal to \$100,000, payable to the order of the county to secure the county from any loss. If a bid is accepted, said check, or the proceeds thereof, will be held by the county until the bidder has complied with all of the terms and conditions of this notice. No interest will be paid upon the deposit made by any bidder. Checks will be returned to the bidders if their bid is not accepted. The check of the successful bidder will be returned to the successful bidder or deducted from the purchase price, at the option of the county. If a bid is accepted but the county fails to deliver the bonds to the bidder

in accordance with the terms and conditions of this notice, said check, or the proceeds thereof, will be returned to the bidder. If a bid is accepted but the bidder defaults in the performance of any of the terms and conditions of this notice, the proceeds of such check will be retained by the county as and for liquidated damages.

CUSIP Numbers

CUSIP identification numbers will be printed on certificated bonds, but neither the failure to print such number on or assign such number to any bond nor any error with respect thereto will constitute cause for failure or refusal by the successful bidder thereof to accept delivery of and pay for the bonds in accordance with the terms of notice. All expenses in relation to the assigning and printing of CUSIP numbers on the bonds will be paid by the county.

Bond Rating

The county has applied to Moody's Investor's Service, Inc. and Standard and Poor's for a rating on the bonds herein offered for sale.

The city may elect on December 1, 1995, and on any interest payment date thereafter, to prepay bonds due on or after December 1, 1996. Redemption may be in whole or in part of the bonds subject to prepayment. If redemption is in part, those bonds remaining unpaid which have the latest maturity date will be prepaid first. If only part of the bonds having a common maturity date are called for prepayment, the specific bonds to be prepaid will be chosen by lot by the bond registrar. All prepayments will be at a price of par and accrued interest.

Whenever the city is to select bonds for the purpose of redemption, it will, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the denomination of \$5,000.

In the event of any such redemption, the city will give notice of its intention to redeem and pay said bonds on a specified date, the same being described by number, CUSIP identification number and maturity, said notice to be by United States registered or certified mail, postage prepaid, addressed to the registered owners of said bonds each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the registered owners thereof whose names are on the registration books of the bond registrar as of the 15th day of the month preceding each interest payment date. The bonds will be registered pursuant to a plan of registration approved by the city and the Kansas Attorney General. The bonds will be registered as fully registered certificated bonds.

The city will pay the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondowners.

The number and denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar no later than 15 days after the sale date. In the absence of such information, the city will deliver one bond per maturity registered in the name of the successful bidder. The initial reoffering price to the public by the original purchaser shall be furnished to the city at least one week prior to the closing date. A certificate setting forth such initial reoffering price to the public shall be furnished to the city by the successful bidder at closing.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of ½0 of 1 percent. No interest rate shall exceed the index of treasury bonds published by Credit Markets (formerly The Weekly Bond Buyer) in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. No rate specified shall be more than 1 percent lower than any rate specified for an earlier maturity of the bonds. No bid of less than the entire par value of the bonds and accrued interest thereon to the date of delivery will be considered and no supplemental interest payment will be authorized.

Basis of Award

The award of the bonds will be made on the basis of

the lowest dollar interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost will govern and the interest rates specified in the bid will be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the governing body will determine which bid, if any, will be accepted, and its determination will be final. The city reserves the right to reject any and all bids and to waive any irregularities in a submitted bid.

Not interest will be paid upon the successful bidder's good faith check.

CUSIP Numbers

It is anticipated that CUSIP identification numbers will be printed on certificated bonds, but neither the failure to print such number on or assign such number to any bonds nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of the purchase contract.
